

Martin Hassel

PSAM12 Speaker Bio

Analysis Of The Main Challenges With The Current Risk Model For Collisions Between Ships and Offshore Installations On The Norwegian Continental Shelf

Short Statement: First author and presenter.

BIOGRAPHY

Mr Hassel is a former navigator and commanding officer from the Royal Norwegian Navy, and still serves in the reserves as a Liaison Officer for NATO's Naval Co-operation and Guidance to Shipping unit with the rank of Lieutenant.

He is the discipline leader for maritime services and a senior safety engineer at Safetec Nordic, a high end risk and safety consultancy company for the offshore oil and gas industry.

He is currently undertaking a PhD titled "Risk and safety of marine operations under Arctic conditions" at the Norwegian University of Science and Technology.
